Los colores mostrados pueden diferir de los colores del producto aplicado. Recomendamos solicitar al aplicador del proyecto una muestra realizada por él, aceptada y firmada por el promotor del proyecto, teniendo en cuenta que tras la aplicación del producto pueden producirse efectos y matices diferentes a los de la muestra propuesta.

The colors shown may differ from the colors of the finished product. We recommend requesting a sample from the project applicator—one that has been prepared by them and approved and signed by the project developer—keeping in mind that the final result may exhibit effects and nuances different from those of the proposed sample.
